

Use and Care Instructions

Model: SH030C15ZWS

Product Description: Spoiler™ *Mini* Showerhead, 1.5gpm

Use Instructions:

Step 1: Remove existing showerhead and discard.

Step 2: To prevent leaks, we recommend wrapping pipe tape around the threads of the shower arm.

Step 3: Screw on the Spoiler™ *Mini* Showerhead until tight. Use a cloth to protect the finish if using a wrench to tighten. Use included washers to ensure a tight seal.
